Sub : Letter of Appreciation

This letter is to express our appreciation for your support on our current IT systems. We recognize and comment on your service level and the knowledge on our Logistics Management system and our team has experienced much better support from your current team compare with our previous vendor.

Your organization has all the successful attributes of meeting customer requirement in this era of technological advancement. I welcome any opportunities to speak to your potential customers about your organization.

Thanking you.

With Regards

Toshihide Kataoka
Managing Director
