

# Gurusoft Strengthens Singapore Polytechnic Training with the Next Generation Supply Chain Software.

*Singapore Polytechnic signed a MOC with Gurusoft on 4 March 2011 for the adoption of the next generation Supply Chain Management(SCM) software.*

Gurusoft will strengthen the SP-MAE's training on Warehousing, Transportation and Distribution with the latest WMS (Warehouse management Software) currently being adopted by such Gurusoft customers as SATS CoolPort etc

"Going forward, this would enable Gurusoft to further extend the reach of our industry expertise and experience. Hopefully, our contribution will help empower the school by making its curriculum and teaching more useful and relevant to both the students and the employers in the future" ...says Mr Han Gurusoft
