LETTER OF APPRECIATION

I'm glad I've met Gurusoft in the earlier stage of my IT involvement process. Gurusoft exceeded our expectations with their solutions and support. Their knowledge sought a well-informed, approachable, and quality service provider to assist our team.

Gurusoft team is attentive to our requirements, while they delivered consistent and accurate information which makes them our long term IT business partner.

Truly yours,

Managing Director
Kawanishi Singapore Pte Ltd
